

# Web Development Application Lab

## Assignment - 4A

**Name : Amey Godse**

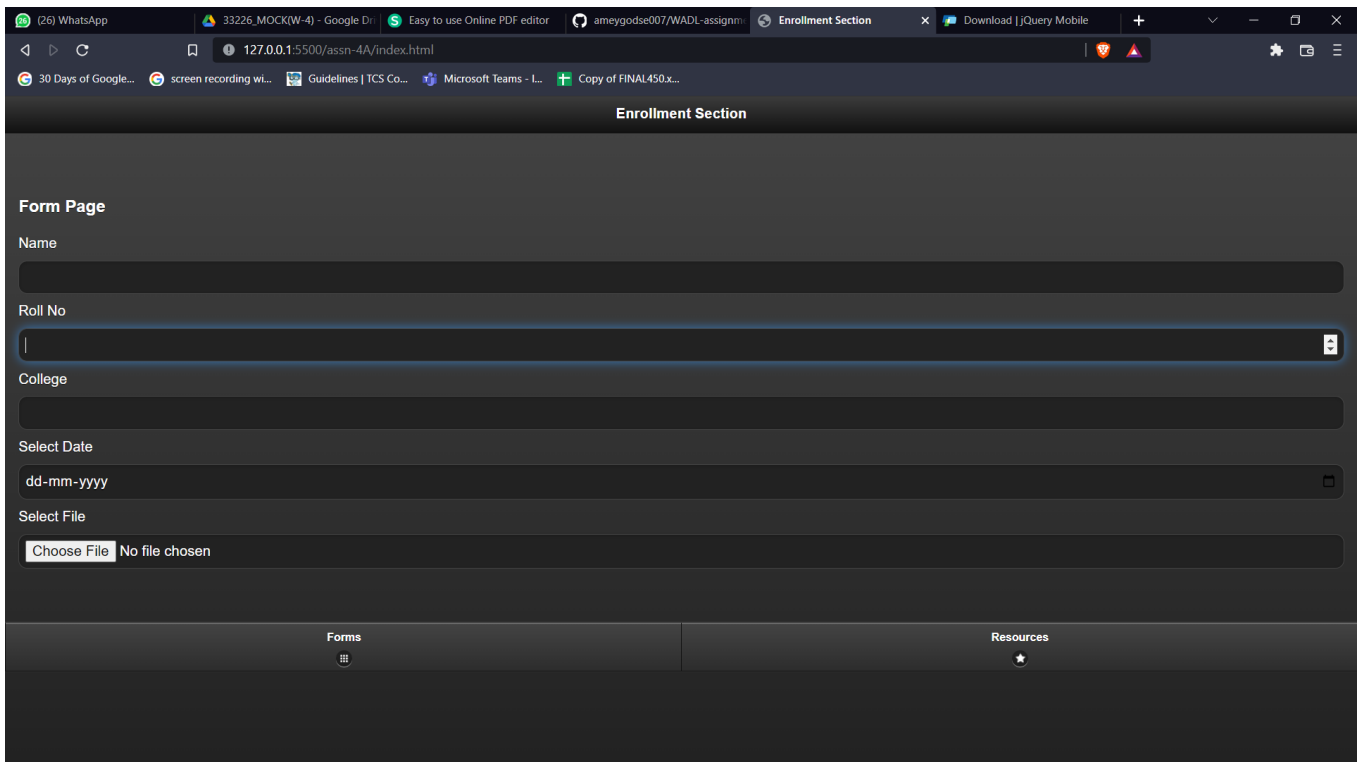

**Roll No : 33226**

**Class : TE-10**

### **Problem Statement :**

Create a simple Mobile Website using jQuery Mobile.

### **Screenshots :**

The screenshot shows a mobile website interface with a dark theme. The browser's address bar displays the URL '127.0.0.1:5500/assn-4A/index.html'. The page title is 'Enrollment Section'. Below the title, there is a section labeled 'Form Page'. The form contains the following fields:

- Name**: A text input field.
- Roll No**: A text input field with a numeric keypad icon on the right.
- College**: A text input field.
- Select Date**: A date picker field showing 'dd-mm-yyyy'.
- Select File**: A file upload field with a 'Choose File' button and the text 'No file chosen'.

At the bottom of the page, there is a navigation bar with two items: 'Forms' (with a list icon) and 'Resources' (with a star icon).
